Dr. Hak Ja Han has never been found guilty any crime

My lifelong goal and determination

London, 20.12.2025, 00:57 Time

USPA NEWS - Doc. Hak Ja Han Moon leads an interreligious and international movement for peace. Since her war-torn childhood, she has yearned to realize God's dream of peace. Her path led to her Holy Wedding with Rev. Sun Myung Moon and an unimaginable life of sacrifice, perseverance and devo-tion to God and humankind. Her story is a noble and touching drama of a village girl called to serve God's purpose as the Mother of Peace.

My lifelong goal and determination is to fulfill the dream of God. Our Heavenly Parent longs to live together with all of us, as generations of good and loving people forming the Heavenly Parent's Holy Community, one family under God. I'm determined to bring that dream into reality during my remaining years, and I invite all of my readers to join me in this historic task.
- Dr. Hak Ja Han Moon.

December 1, 2025, the first day of testimony before the Korean court, the judge asked Hak Ja Han if she had anything she wanted to say. The True Mother replied that she did, and then she courageously testified to the Heavenly Parents, the Creator, and testified to the Heavenly Parents' dream of sending their Only Begotten Daughter, Holy Mother Han.

Read below the full statement that True Mother offered on Monday, December 1, 2025:

For over eighty years of my life, I have worked toward the dream of attending Heavenly Father on earth.

The Creator's original dream, as it was realized in April 2025, is that He desires to live on earth as the True Parents, embracing His children. This is the principle of creation.

Because I knew this truth, I dedicated my entire life—over eighty years—to fulfilling this dream for the Creator. For this dream to be realized, I resolved that a palace where the Creator could dwell must be built. And I invested all my heart and strength in this mission.

Regarding this unfortunate incident, if the opportunity is given, I sincerely ask you to come to Cheonwon in Gapyeong, South Korea, and see for yourselves. Come and witness what I have dedicated my life to accomplishing.

Dr. Hak Ja Han Moon, co-founder of the Unification Church, has led global peace tours since 2016, advocating for love, forgiveness, unity, and family-centered peace, inspiring leaders to see humanity as one family, moving beyond nationalism through her work with organizations like the UPF and initiatives promoting moral reawakening and interfaith harmony.

????that true peace begins with families that live for the sake of others and that nationalism alone cannot secure a peaceful future.

Her ongoing work continues to inspire leaders and communities to see humanity as one family, working together for lasting peace.

????Dr. Hak Ja Han has led a faith community for several decades, and her activities belong fundamentally to the realm of religion.

The moment the government infringes on this realm, the principles of Korean democracy begin to waver. This measure is also receiving international criticism as an excessive exercise of state power.

Dr. Hak Ja Han has never been found guilty of any crime, and therefore the excessive detention measures must be withdrawn and she must be released immediately.

This is the path to reaffirming the principle of freedom that has long protected Korean democracy."
