USPA NEWS - For those who understand, a hint is enough.

In the Holy Quran, there are mentions of such characters who were once ordinary
courtiers.
They used to obey kings, remain silent, and live in an atmosphere of fear.

But when oppression became excessive and the truth began to be suppressed, a few of these same people one day raised their voices in favour of the truth.

That voice may have been small in the eyes of the world, but Allah Almighty liked it so much that their mention was preserved in the Holy Quran until the Day of Judgment.

What a great honour and promotion from ALLAH (swt) Almighty that not the name of an ordinary person,
(GREAT LEADER IMRAN KHAN)
but his character,
becomes an example for the world to live in.

History shows that ALLAH (swt) Almighty likes those people who at some point decide to support the truth, even if they have remained silent all their lives.
One true step changes the entire identity of a person.

Even today,
if a person stands firm on his ideology, his principles and his word, serves humanity, becomes a servant when in power, and does not back down from the truth when the time comes,
then ALLAH (swt) Almighty grants him such an honour that is far higher than worldly powers.

IYYAKA NABUDU, WA IYYAKA NASTAEEN)
It is You we worship and It is You we seek help from"
*This is not just a verse, but a belief that does not allow a person (GREAT IMRAN KHAN) to bow down in the face of fear.

And this verse became the identity of a person (GREAT IMRAN KHAN)
and it was a huge* *promotion* from nature.*
Writing such a big message means that in today's Yazidi era

*Raise your voice and in such situations.
it is obligatory for every person to raise their voice*

*Make YOUR MOBILE PHONES / SOCIAL MEDIA as a weapon and use it for a good purpose.....!!!
*Cowardice is also a punishment *

*Remove fear from your heart and raise your voice so that the blessings of ALLAH (Swt) Almighty may descend upon you too..!
